NEW YORK.

1877.

Entered according to Act of Congress in the year 1877, by BRADLEY & CURRIER, in the Office of the Librarian of Congress at Washington.

New York, April 1877.

We take great pleasure in presenting our

New Illustrated Catalogue,

descriptive of the goods of our manufacture.

We trust our efforts, with the advantage of our long experience, to produce a class of Patterns and Designs, at once

Artistic, Effective and Cheap,

will meet the wants of the Trade, and be useful to our friends.

We claim, our goods shall not only maintain the quality, which has won us our reputation, and that our prices shall always be the lowest obtainable, but that each succeeding year shall add improvements in manufacturing

Higher Standards of Qualities,

and a determination to reach the

Minimum in Prices.

We pay special attention to the demands of the Trade for Export, fully understanding the requirements of all localities, and the fulfilling of all Foreign Orders.

— Estimates at all times cheerfully furnished. —

Correspondence with Commission Houses Contractors and Builders, Architects and buyers generally, courteously solicited.

Very Respectfully,

Bradley & Currier.
